Spring Cleaning! Hyattsville will spend two days helping you with your spring clean-up. On Saturday, April 11, Public Works staff will drive every street in the city to tag the overgrown trash you may put on the curb the night before. In addition to household garbage and recyclables, empty paint cans, buckets, tanks and yard waste will be collected.

On Saturday, April 25, the Department invites you to drop off electronics for recycling. Between 7:00 a.m. and 1:00 p.m. you can bring up to 463,000 pounds of electronic waste.

Calling All Vendors!
The Hyattsville Farmers Market is now accepting vendor applications for the 2015 season. The Market has made some changes for this year to be more convenient for visitors. Hours are extended to allow more vendors to open between 7:00 a.m. and 1:00 p.m.

The market will be open every Saturday from March through November. We are excited to welcome our vendors back and look forward to seeing all of our returning vendors. The market provides bread, eggs, cheese, meat, herbs, spices, flowers, prepared foods, live music, and handcrafted goods. Applications are due by April 20 and can be found on the City’s website.
