Which was the subject of a public hearing on May 27, 2008 after notice thereof was published twice in a newspaper of general circulation within the City, is hereby adopted.

The tax rate for all real property, not otherwise exempted, located within the corporate limits of the City shall be as is hereby fixed at sixty-three cents (\$.63) on each one hundred (\$100.00) dollars of assessed value on lands, improvements and fixtures.

The tax rate for all operating property of public utilities and contract carriers, not otherwise exempted, located within the corporate limits of the City shall be as is hereby fixed at one dollar and ninety-eight cents (\$1.98) on each one hundred (\$100.00) dollars of assessed value.

Such taxes on lands and improvements shall be computed on the valuation of said properties in Prince George's County, Maryland, which assessment is hereby adopted and used by the City of Hyattsville as its own valuation assessment of the land and improvements within the corporate limits subject to taxation for property of public utilities and contract carriers, the valuation of said properties as certified to the City of Hyattsville by the Maryland State Department of Assessments and Taxation shall be used as the assessed valuation of properties so certified.

The tax rate for all tangible personal property, not otherwise exempted, located within the corporate limits of the City shall be and is hereby fixed at one dollar and fifteen cents (\$1.15) on each one hundred (\$100.00) dollars of assessed value of all tangible operating personal property, including commercial inventory. In computing and levying such taxes on tangible personal property, the valuation of such property as certified to the City of Hyattsville by the Maryland State Department of Assessments and Taxation shall be used as the assessed valuation of properties so certified.

The City Treasurer, or any other person designated by the City Council to act in his place, is hereby authorized and directed to collect the taxes herein levied by this ordinance.

In accordance with Section C5-6 of the Hyattsville City Charter, the real property taxes provided for in this ordinance shall be due and payable on the first day of July, 2008 and shall be overdue and in arrears when the County's real property taxes are overdue and in arrears. All real property taxes shall bear monthly interest while in arrears at the rate of two thirds of one percent (.0066) and a monthly penalty of one percent (.01) as provided in Section C5-17 of the City Charter.

Tangible personal property shall bear a fixed penalty of one hundred (\$100.00) dollars for the first month in arrears, which is defined as the period beginning ninety-one (91) days and ending one hundred twenty (120) days following the tax bill date. An additional penalty of one percent (.01) per month shall be due on any taxes in arrears more than one hundred twenty (120) days. All tangible personal property taxes shall bear interest at the rate of two thirds of one percent (.0066) per month while in arrears.

**AND BE IT FURTHER ORDAINED**, that this budget shall govern the revenue and expenditure of funds by the City during the fiscal year 2009, subject to further budget ordinances enacted by the City pursuant to Article 23A §2(b)(2) of the Maryland Annotated Code;

**AND BE IT FURTHER ORDAINED**, that the City Council may from time to time during the fiscal year amend this budget by motions made, discussed and carried by a 2/3 vote of the City Council so long as any action regarding this budget is taken at a public meeting after notice and a public discussion, and the amendments to the budget by motion for entire fiscal year do not increase the total expenditures by more than ten percent (10%) of the total budgeted expenditures figure appearing above;

**AND BE IT FURTHER ORDAINED**, pursuant to Hyattsville Resolution 2004-03 designating the University Town Center Special Taxing District and Hyattsville Resolution 2004-03 authorizing the imposition, levy and collection of special taxes in the Special Taxing District and pursuant to the Rate and Apportioning terms adopted, the City of Hyattsville adopts and approves the report of the Administrator of the University Town Center Special Taxing District (Exhibit A) and hereby assesses and levies as additional real property taxes on the owners of properties in the University Town Center Special Taxing District this special tax as indicated in Appendix A of Exhibit A for the upcoming fiscal year; in the event any parcel numbers are changed prior to the actual billing of taxes by the county, the Administrator shall revise Appendix A to be consistent with the tax parcel numbers used by the County for billing of taxes and recalculate the special tax to be collected from each parcel in a manner consistent with the method utilized to calculate the special taxes in Exhibit A;

**AND BE IT FURTHER ORDAINED**, that this ordinance shall become effective on July 1, 2008 and a fair summary of this Ordinance shall be published twice in a newspaper having general circulation in the City, subject to the provisions of section C3-2A(6) of the City Charter;

**INTRODUCED** by the City Council of the City of Hyattsville, Maryland at a public meeting on May 27, 2008;

**ADOPTED** by the City Council of the City of Hyattsville, Maryland at a public meeting on June 3, 2008.

Adopted: June 3<sup>rd</sup>, 2008

**CITY OF HYATTSVILLE  
SPECIAL OBLIGATION BONDS  
UNIVERSITY TOWN CENTER PROJECT  
SERIES 2004**

**Fiscal Year 2008-2009  
Special Tax Report**

**INTRODUCTION**

The City of Hyattsville issued \$18,000,000 of special obligation bonds in August 2004 related to the University Town Center Development District. These bonds are to be repaid from special taxes levied on the taxable property in the University Town Center Special Taxing District, which was created pursuant to Resolution No. 2004-02 adopted by the City Council on February 17, 2004.

A special tax is to be collected each fiscal year in the University Town Center Special Taxing District pursuant to Resolution No. 2004-03, and an Executive Order, dated August 9, 2004, executed by the Mayor. This report has been prepared to explain the methodology used to calculate the special tax rates at which property will be taxed in the University Town Center Special Taxing District for fiscal year 2008-2009.

**SPECIAL TAX REQUIREMENT**

Special taxes are to be collected in a proportional amount equal to each parcel's equivalent use factors such that the total special taxes collected are equal to the special tax requirement. The special tax requirement is generally equal to (i) annual debt service, (ii.) administrative expenses, less (iii) interest income on the reserve fund (*upon closure of the improvement fund*) held by the trustee.

Table A provides a summary of the special tax requirement for fiscal year 2008-2009. Special taxes equal to \$1,026,000.00 will have to be collected for fiscal year 2008-2009. Each of these numbers is explained in the following sections.

*Debt Service*

Debt service includes interest on the bonds payable on January 1, 2009 and July 1, 2009. Each semi-annual interest payment is equal to \$508,572 on the terms bonds shown below.

Term 2017 Bonds of \$1,676,000 at 5.00%	\$41,900
Term 2024 Bonds of \$3,524,000 at 5.60%	\$98,672
Term 2034 Bonds of \$12,800,000 at 5.75%	\$368,000
Total:	\$508,572

A principal payment of \$74,000 is due on July 1, 2009. As a result, total debt service for fiscal year 2008-2009 is \$1,091,144.

**Table A**  
**Special Tax Requirement**  
**Fiscal Year 2008-2009**

<b>Debt service:</b>	
Interest on January 1, 2009	\$508,572
Interest on July 1, 2009	\$508,572
Principal on July 1, 2009	\$74,000
<i>Sub-total debt service</i>	\$1,091,144
Administrative expenses	\$29,500
Contingency	\$67,286
<i>Total expenses</i>	\$1,187,930
Reserve fund investment income	(\$56,370)
Surplus from prior year	(\$105,560)
<i>Funds available to be applied for FY08-09</i>	(\$161,930)
<i>Special Tax Requirement</i>	\$1,026,000

#### *Administrative Expenses*

Administrative expenses include the trustee, the administrator, and the expenses of the city related to the district. The annual charges of the trustee are estimated to be \$7,000. The fees and expenses of the administrator are estimated to be \$12,500. The expenses of the city are estimated to be \$10,000. Accordingly, the total administrative expenses are estimated at \$29,500.

#### *Contingency*

A contingency, equal to approximately six percent of annual debt service plus an additional amount to round the special tax requirement to the nearest ten-thousand has been added in case there are unanticipated expenses or tax payment delinquencies.

#### *Reserve Fund Income*

As of April 30, 2008, the balance in the reserve fund was \$1,708,192.50, which is the reserve requirement of Series 2004 Bonds. Bond proceeds in the reserve fund are invested in a Transamerica Guarantee Investment Contract (GIC) that is earning 3.30 percent per annum (paid semi-annually in June and December) and maturing on August 24, 2009. According to the trust indenture, reserve fund investment income should be transferred to the improvement fund after the capitalized interest period and may only be used to pay debt service or administrative services expenses upon the closure of the improvement fund.

The improvement fund was closed on December 6, 2007. Accordingly, interest income earned on the reserve fund through December 31, 2007 in the amount of \$28,185.18 was transferred to the debt service fund and administrative expenses fund to pay debt service and administrative expenses for fiscal year 2007-2008. An additional \$28,185.18 in interest income will be earned on the reserve fund through July 1, 2008 and will be made available to pay debt service and administrative expenses for fiscal year 2007-2008 (which is included in the surplus from the prior year). Likewise, the annual investment income of \$56,370.35 on the reserve fund requirement of \$1,708,192.50 will be made available to pay debt service and administrative expenses for fiscal year 2008-2009.

## Exhibit A

### *Surplus from Prior Year*

Table D below outlines the surplus from the prior year that may be applied to pay debt service and administrative expenses for fiscal year 2008-2009. Special taxes in the amount of \$1,080,000.00 were billed for collection in fiscal year 2007-2008. As of April 30, 2008, the entire amount billed for collection in fiscal year 2007-2008 had been collected by Prince George's County and transferred to the trustee. A portion of these special tax revenues in the amount \$508,572.00 were used to pay debt service due on the bonds on January 1, 2008. As of April 30, 2008, the balance in the special tax fund and debt service fund was \$585,044.42 and \$14,398.08, respectively. As mentioned above, an additional \$28,185.18 in interest income will be earned on the reserve fund through the debt service payment due on July 1, 2008. A portion of these special taxes and debt service fund balances will be used to pay debt service due on July 1, 2008, which consists of an interest payment totaling \$508,572.00 as shown on Table D below.

**Table D**  
**Surplus from Prior Year**

Series 2003	
Available Funds:	
Special tax revenue fund through April 30, 2008	\$585,044.42
Debt service fund through April 30, 2008	\$14,398.08
Estimated reserve fund interest to June 30, 2008	\$28,185.18
<i>Total funds available</i>	<i>\$627,627.68</i>
Interest payment on July 1, 2008	(\$508,572.00)
Administrative expenses	(\$13,495.58)
<i>Subtotal expenses</i>	<i>(\$522,067.58)</i>
Surplus from prior year	\$105,560.10

As of April 30, 2008, the balance in the administrative expense fund was \$19,805.53. Administrative expenses for fiscal year 2007-2008 were estimated to be \$28,050.00 and were to be funded with special taxes collected in fiscal year 2007-2008. On February 2, 2008, the trustee transferred a portion of reserve fund interest income in the amount of \$14,554.42 to the administrative expense fund. As a result, fiscal year 2007-2008 administrative expenses in the amount of \$13,495.58 (\$28,050.00 - \$14,554.42 = \$13,495.58) remain to be funded with special tax revenues collected in fiscal year 2007-2008. Accordingly, an estimated aggregate surplus of \$105,067.10 will be available to pay debt service and administrative expenses for fiscal year 2008-2009.

### *Special Tax Collected*

The special tax for the year shall be equal to the special tax requirement. The special tax for each parcel shall be equal to the Equivalent Use Factors of the parcel, divided by the Equivalent Use Factors of all Taxable Property in the District, and the result multiplied by the Special Tax Requirement as shown by the formula below:

$$A = (B \div C) \times D$$

Where the terms have the following meaning:

A = The Special Tax for a Parcel

## Exhibit A

B = The Equivalent Use Factors of the Parcel

C = The Equivalent Use Factors of all Taxable Property in the District

D = The Special Tax Requirement

Equivalent Use Factors means for any parcel, the number of dwelling units, parking spaces, and building square footage of a parcel by the Land Use Class multiplied by the factor for each Land Use Class as shown in Table F below:

**Table F**  
**Land Use Class and Equivalent Use Factors**

Land Use Class	Equivalent Use Factors
Office Property	0.70 per 1,000 square feet
Parking Property	0.02 per parking space
Residential Property	1.00 per dwelling unit
Retail Property	1.02 per 1,000 square feet

The equivalent use factors for each taxable parcel classified under office or retail land use classes within the district were computed using building square footages obtained from the State Department of Assessments and Taxation. Schedules from the State Department of Assessments and Taxation showing the building square footage for each parcel, which were used in computing the equivalent use factors for each taxable parcel classified under office or retail land use class within the district, are attached to Appendix B. Schedules for individual condominium units of residential property can be obtained at <http://sdatcert3.resusa.org/rp> rewrite. The respective land use class and the aggregate building square footage for office and retail property, the aggregate number of dwelling units for residential parcels and the total number of parking spaces for parking property and the corresponding equivalent use factors for each land use class are shown in Table G below.

**Table G**  
**Special Tax District Parcels**

Land Use Class	Number of Parcels	Building SF / Dwelling Units / Parking Spaces /	Equivalent Use Factor	Equivalent Use Factors
Office	5	1,419,723	0.70	993.81
Retail	5	126,884	1.02	129.42
Residential	113	356	1.0	356.00
Parking	2	1,022	0.02	20.44
	125			1,499.67

Special taxes are to be collected in a proportional amount equal to each parcel's equivalent use factors such that the total special tax to be collected is equal to the special tax requirement. For fiscal year 2008-2009, the special tax requirement is equal to \$1,026,000.00. The equivalent use factors for all parcels within the district are equal to 1,499.67. As a result, the special tax to be collected per each equivalent use factor is equal to \$684.15 ( $\$1,026,000.00 \div 1,499.67 = \$684.15$ ). Table H below shows the aggregate breakdown of special taxes to be collected in the district on the basis of land use class.

**Table H**  
**Special Tax Levy**

**Fiscal Year 2008-2009**

Land Use Class	Equivalent Use Factors	Special Tax Per EUF	Special Tax
Office	993.81	\$684.15	\$679,913.96
Retail	129.42	\$684.15	\$88,544.04
Residential	356.00	\$684.15	\$243,557.94
Parking	20.44	\$684.15	\$13,984.06
<b>Total</b>	<b>1,499.67</b>		<b>\$1,026,000.00</b>

### SPECIAL TAX RATES

Special taxes are to be collected in a proportional amount equal to each parcel's equivalent use factors such that the total special tax collected is equal to the special tax requirement. The total expenses of the district for fiscal year 2008-2009 are estimated to be equal to \$1,187,930.45. Surplus revenue from prior year and interest income available to pay expenses are estimated to be \$161,930.45. Accordingly, the special tax requirement is equal to \$1,026,000.00.

The special taxes to be collected on each parcel for fiscal year 2008-2009 are shown in Appendix A. Appendix B includes schedules from the State Department of Assessments and Taxation showing the building square footage for each parcel, which were used in computing the equivalent use factors for each taxable parcel classified as office and retail land use class within the district.
