

## City of Hyattsville 2021-22 Education Enrichment Grant Program

The City of Hyattsville's Education Enrichment Grant Program is an annual grant opportunity in support of Hyattsville's public schools, students, and community. **Grants of up to \$500 are available to fund programming and activities that enhance and enrich student opportunities and education.** Past grant recipients have expanded STEM learning, promoted cultural sensitivity and inclusivity, and supported academic and student development.

**Special notice for the 2021-22 grant period:** Due to the ongoing COVID-19 pandemic, please use your discretion for in-person activities and events. Suggested safe alternatives include, but are not limited to, virtual guest speakers, online programming, and materials for special at-home student projects. If you do propose any in-person programming, including in-person pick up of materials or drive through events, please indicate in the application how staff, students, volunteers, and community members will be adequately protected from virus exposure. Grants are not intended to fund items that are normally provided by Prince George's County Public Schools, such as copier paper, staffing, etc.

**Eligibility:** The grant program is open to public elementary, middle, and high schools that have attendance boundaries within the City of Hyattsville. Those schools include Bladensburg High, Northwestern Evening High, Northwestern High, Hyattsville Middle, Nicholas Orem Middle, William Wirt Middle, Felegy Elementary, Hyattsville Elementary, Rogers Heights Elementary, Rosa Parks Elementary, and University Park Elementary.

## City of Hyattsville 2021-22 Education Enrichment Grant Program

**Budget Plan Requirement:** Grants are limited to a maximum of \$500 each but can be less than the maximum. The total amount should be justified in the application. Applications must include a detailed budget plan. Applications that include additional funding sources should indicate the source of funding or contributions. It is recommended that a letter of support or commitment from the external funding source be included. If external funding is from the school or a parent-teacher organization, a signature from the principal or president's organization is required as a commitment of support.

**Signed Application Requirement:** All applications must be signed by the school principal or organization's president. Proposals that the principal or organization president is unable or unwilling to sign should include a statement explaining why. **Please note that proposals that use school facilities or involve teachers will not be funded without the principal's endorsement.**

**Additional Documentation:** **Any proposed in-person activity event must include documentation of approval of the project from a Prince George's County Public School Representative.** Letters of endorsement from partner organizations may also be included and are limited to one page each.

**Post-Grant Reporting Requirement:** Awardees are required to submit a post-grant report documenting expenditures and project completion by July 1, 2022. Failure to submit the post-grant report on time could result in a school or organization being ineligible for future grants. The post-grant report shall include an account of monies spent (i.e., receipts), description of target population reached (e.g., number and age), and an assessment of the project and its effects. Photos are also encouraged, but not required. Any unspent funds must be returned to the City of Hyattsville by July 1, 2022.

**Please be aware that all materials provided in the application or post-grant report become public documents and may be used by the City for promotional and other purposes.**
