

CITY OF HYATTSVILLE, MARYLAND FINANCIAL DISCLOSURE INSTRUCTIONS

Thank for your willingness to work to better the City of Hyattsville and its residents through public service. Under the City Charter §10-9, and in accordance with State law, elected officials, candidates for public office, and certain city staff and appointees are required to file a *Financial Disclosure Statement*. The goal is to make clear any potential conflicts of interest or undue influence that may exist and is necessary to ensure transparency and accordance with State ethical guidelines.

The *Financial Disclosure Statement* may seem complicated, but for most individuals, compliance is relatively simple. This document should help in avoiding common oversights that may occur when filling out the forms.

- A. [PAGE 1] Please make certain the contact information you provide on the first page is correct and that the completed form is properly notarized. To schedule an appointment to notarize your form, please contact City Clerk, Laura Reams at (301) 985-5009 or cityclerk@hyattsville.org.
- B. [PAGES 2–3] Please check “yes” or “no” for each question (A–K). **If you check “no” for any of the questions, you do not need to complete or return the form associated with the question.** Please check the associated form if there are any questions about the information being sought.
- C. [PAGES 4–5] **Schedule A** asks about property you own or rent, including timeshares. You must submit a separate Schedule A for each property. If you **own** the property (or jointly own it with your spouse), you must answer Questions 1–10. If you **rent** the property, you most likely need only answer Questions 1, 2, and 4.
 - a. Question 3: “Attributable” means if the property is owned by an estate or trust and you have a future ownership stake in the property.
 - b. Question 4: If you **rent** your property, please mark yourself as the tenant.
 - c. Question 6: If you have a mortgage, please check “yes” and note the loan holder on the following line.
 - d. Question 10: “Consideration” means the value provided in return for something. If you purchased the property, the consideration is the sale price paid. If you inherited the property, the consideration is the fair market value at the time of acquisition. If you sold or otherwise transferred some or all of your interest in the property over the past year, please answer Questions 11A–11C.
- D. [PAGES 6–7] **Schedule B** asks about ownership stakes you have in any business. You only should report stocks held in publicly traded corporations if you own more than 10% of the company’s shares or your stake is greater than \$25,000. Please file a separate **Schedule B** for each business in which you hold a reportable ownership stake.
 - a. Question 7D: See definition for “consideration” in item C. d. in this document.
- E. [PAGES 8–9] **Schedule C** asks specifically about an interest in a business or entity that does business with the City of Hyattsville. You may have previously reported your ownership in **Schedule B**.
 - a. Question 5D: See definition for “consideration” in item C. d. of this document.
